Keep up good work on lawn maintenance:

The Platte City community has done a great job of lawn maintenance this summer. Please keep up the success during the final months of summer as grass grows more slowly but weed growth picks up.

Vacation Crime Prevention Tips

Before you go on vacation contact the Platte City Police at 858-5150 to request a "vacation watch in passing". Officers on patrol will be aware you are not home and will patrol past your home on a more frequent basis.

Summer Safety Tips regarding Children and Vehicles

- Make sure child seat and buckles are not too hot
- Never leave children unattended in car, even with windows down
- Teach children not to play in or around parked cars

If you are storing items in a trailer, call the City Code Officer at 858-3715 or contact us on line at www.plattecitey.org for suggestions and options.
