

## REQUEST FOR PROPOSAL

The City of Platte City will accept proposals for trucking and unloading service per the following specifications.

**Specifications:**

Pickup, haul and unload manhole parts listed in table below from Pretech Concrete, 8934 Woodend Road, Kansas City Kansas (pick up-location), to the Platte City Wastewater Treatment Facility at 500 W Mill Street, Platte City, Missouri (destination location).

**Transportation:** Pick up, haul and manhole parts from the pickup location to the destination location. Distance between the two locations is approximately 28 miles, however this data is provided for general information only. **Responding vendors are solely responsible for determining/calculating transportation time and distance in preparing their cost proposal.**

**Off Load:** Provide equipment, equipment operator and all accessories required to off load manhole parts at destination location. Manhole parts are listed in the table below.

Work must be completed at mutually-agreeable time. Operating hours for destination location are 8:00 a.m. to 4:00 p.m. Monday through Friday; excepting holidays. Respondents must be licensed to operate required vehicles/equipment and must provide proof of vehicle and liability insurance prior to contract issuance

Manhole Parts

| ID  | Qty | Approximate Weight |
|---|-----|--------------------|
| Base A5, with O.D. of 100"                        | 1   | 28,000 lbs.        |
| Base A6, with O.D. of 100"                        | 1   | 28,000 lbs.        |
| Base A8, with O.D. of 100"                        | 1   | 28,000 lbs.        |
| Intermediates; 5'8" tall with O.D. of 72"         | 8   | 7,200 lbs. each    |
| Intermediates; 3' tall with O.D. of 72"           | 2   | 3,800 lbs. each    |
| Intermediates; 2'4" tall with O.D. of 72"         | 2   | 2,920 lbs. each    |
| Reducer slabs with O.D. of 72"                    | 4   | 2,200 lbs. each    |
| Manhole cone sections; 3'9" tall with O.D. of 58" | 4   | 3,360 lbs. each    |
| Assorted adjustment rings and cast iron           |     | 3,000 lbs.         |

Complete and return the following bid table:

| Work Item      | Proposal Amount |
|----------------|-----------------|
| Transportation |                 |
| Off Loading    |                 |
| Total          |                 |

Transportation only or off loading only proposals will be accepted.

State any exceptions to proposal specifications or proposal response.
